Other (Explain):

CCC 1141.09:

Upon application to construct a private sanitary sewer the owner thereof shall deposit with the City a maintenance deposit to cover the cost of maintenance / repairs performed by City maintenance personnel while the sewer remains under private ownership. The maintenance deposit may take the form of a cash deposit, an escrow agreement acceptable to the City, or any other form acceptable to the City. Any monies not charged to the maintenance deposit account will be refunded to the owner when final dedication to the City has occurred. The maintenance deposit shall be calculated in the following manner:

- A. Minimum deposit of \$ 1.25 per lineal feet of pipe plus \$ 50.00 per manhole.
- B. Maximum deposit of \$ 5,000.00

For projects that are constructed in phases, each phase will be considered a separate project. An exception to this requirement is when the owner construct all phases under one construction inspection deposit and the project phases will be finaled simultaneously. Any maintenance charges that surpass the maintenance deposit amount will be billed to the sewer owner and final dedication will be delayed until those charges are satisfied. **CCC 1141.09**

CCC 1141.06:

Upon completion of a privately constructed sewer, the owner shall submit a project cost statement containing the entire cost of the sewer. Completion shall mean installation of all pipe, manholes, structures and other features of the sewer, restoration of all disturbed ground, and the sewer has passed all required tests. The project cost statement will be submitted on a form provided by the City and will include the allowable design and construction costs incurred by the owner. The project cost statement must be submitted before the privately constructed sewer is approved for use. **CCC 1141.06**
